

DEPARTMENT OF MEDICAL EDUCATION

PERSONNEL SCALE

The department has been developed as a result of pain-staking efforts taken by its members. The members are medical teachers from pre, para and clinical departments who are like-minded, willing to devote time and energy for medical education. They are trained in various aspects of medical education technology at various NTTC centers, FAIMER Institutes or at MCI Nodal Centres. Few have also done MHPE courses and PG Diploma courses in medical and higher education.

Following is the list of all members past and present whose contribution has helped and is continuing to help the department achieve greater heights:
