# DEPARTMENT OF MEDICAL EDUCATION

Medical Education Unit (MEU) was established in 1993 in line with the recommendation of Medical Council of India to oversee, improve and improvise teaching methods and also to train teachers so as to impart quality education to the students. It was upgraded to **Advanced Centre for Medical Education & Research** (ACMER) in October 2014. It was further upgraded to **Department of Medical Education** in October 2015.

The office of the Medical Education Unit was originally located in the Department of Anatomy, second floor, college building and then shifted to second floor, hospital building. The infrastructure and staff was shared between departments of Anatomy and Pharmacology. Since 2009, the office of the department is located on the terrace, college building.
