

The Department of Plastic Surgery at the Seth G S Medical College and KEM Hospital is pleased to announce a live operative workshop elucidating the essential concepts of Brachial plexus surgery on 19th and 20th of May 2017.

As residents and consultants dabbling in this elusive field, we are sure you have your share of doubts and comments about this fascinating aspect of plastic surgery. To guide us on this journey we have our renowned and experienced guest faculty Dr. P.S. Bhandari, who will discuss planning, exploration of the plexus, nerve transfers, grafts and FFMT among other aspects of this fascinating subject. Live two way interaction during the procedures will provide clarity regarding minute details of the demonstrated procedures. Interactive discussions on cases, therapy, pain and EMG in plexus injury will improve insight and understanding of management.

**Limited seats on first come basis.
Maximum 60 registrations**
