75 YEARS OF OT SCHOOL: REFLECTIONS FROM THE HEAD OF DEPARTMENT

Warm Greetings from Department of Occupational Therapy.

It is with immense pride and heartfelt joy that we invite you to the Diamond Jubilee Celebration of the Occupational Therapy Training School and Centre, Seth G.S. Medical College and K.E.M. Hospital, Mumbai.

As the first Occupational Therapy school in Asia, this institution has played a leading role in shaping the profession in India and beyond.

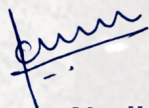

We are delighted to inform you that the year 2025 marks a historic milestone for our esteemed institution- “The Centenary Year of Seth G.S. Medical College and K.E.M. Hospital and the Diamond Jubilee of the Occupational Therapy Training School and Centre (OTSC)”.

To commemorate the said event, we are hosting a symposium on the founding date i.e., 14th November 2025 on the theme: “Occupation Centered Care: Exploring the Heart of Occupational Therapy” – a reflection of our continued commitment to client-centered, evidence-informed practice.

A special appeal to all our alumni to wholeheartedly participate in the alumni gathering and to make it a cherishable moment for all.

Let this occasion be a time to reconnect, to feel proud of our roots, and to look ahead with hope and purpose as we step into the future.

With warm regards,

Karuna Nadkarni.
