

Dear Students,

The GSMC- MUHS UNESCO Bioethics Unit invites application for the year 2020 for being associated with it as members of the “Students’ wing”. Students will be selected from each batch of Medical, Occupational therapy, Physiotherapy and Nursing undergraduate courses.

GSMC MUHS UNESCO Bioethics unit is affiliated to UNESCO Haifa, and is a matter of great prestige and you will have an opportunity to interact and represent your college nationally and internationally. You will also be groomed as in organizing events related to bioethics and be leaders to spread it far and wide amidst your fellow friends and peers. Learning about humanity and working to spread it at a personal level would also help you to be more compassionate and humane health care professional.

To give you a brief background, this unit was formally established in November 2015, with 15 faculty members from various disciplines and departments of Seth GS Medical college and KEMH under chairmanship of Dean and Director Dr. Avinash Supe.

To know further details of the unit activities, please visit the webpage <http://www.kem.edu/gsmc-muhs-unesco-bioethics/>

We look forward to having enthusiastic student-members. **If you wish to be one of them, please fill in the details in the following format and submit via email to the respective batch-in charges (Please see the table below) on or before 23rd January 2020. The interviews are likely to be held in the first week of February 2020.**

Please note the activities are arranged within the framework of curriculum and will not interfere with your lecture or practical schedules. You will get an intimation about the process of selection **by 31st January 2020.**

Looking forward to enthusiastic participation by students,

**Dr Padmaja Marathe,
Professor Additional ,
Dept of Pharmacology and Therapeutics
