ACHARYA DONDE MARG, PAREL, MUMBAI - 400012.

Ref. : Gymk/GSMC/GYM/111/2023

Date : 13/02/2023

NOTICE

This is to inform all the students of Seth GSMC and KEM Hospital as well as Vice Presidents of various departments, secretaries, office bearers of various committees and events under Gymkhana that following decision is taken as per the recommendations and discussion in Second Gymkhana Management Committee Meeting, held on 3rd January 2023.

Students take part in **various organizing committees of different events** under Gymkhana *especially Aavishkaar and Confluence*. Time commitment and dedication is important while being the office bearers of such posts. It has been decided to **limit the number of organizing teams a student can be a part/team member of** so as to maintain a balance between co-curricular and extra-curricular activities, to promote better academics in terms of attendance, and giving opportunity to more students to become a part of events.

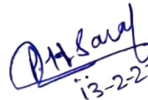

Following rule will be applicable –

- **A first-year student cannot be a part of more than 1 Junior Core/PR and Sponsorship Teams (of all events) throughout the year.**

This is mandatory to be followed by every Selection Committee while taking interviews. If any student violates these instructions, he/she will be liable for permanent suspension from the post and disqualification from participating in future events/teams/activities etc.

All students are encouraged to understand their own capacities and take part in events while responsibly taking care of their own academics including attendance.

NOTE: If it is found with sufficient evidence that a student-member is **not able to manage their attendance**, or is **not able to effectively contribute** with respect to their roles and responsibilities as a part of the organizing team and event(s), then **they are liable to be removed from their post** by the order of the respective event's Vice-President(s). This is done keeping in mind the academic interests and welfare of students. Details about the same have been shared as SOPs elsewhere.
