DIRECTIVES OF THE HONOURABLE SUPREME COURT ON THE MENACE OF RAGGING

In view of the increasing incidents of ragging in colleges and elsewhere that reached proportions unbecoming of a civilised society the Hon'ble Supreme court admitted and heard the SLP No (s) 24295 of 2006 University of Kerala Vs Council, Principals', Colleges, Kerala & Ors (with SLP(C) No.24296-99/2004 & W.P. (CrI) No. 173/2006 and SLP(C) No.14356/2005).

Pursuant to an order of Hon'ble Supreme Court of India dated November 27, 2006, the Ministry of Human Resource Development has constituted a Committee under the Chairmanship of Shri R.K. Raghavan (former Director, CBI) to look into the issue of ragging and suggest means of prevention of ragging in educational institutions.

The Committee primarily examined the following broad aspects of ragging:

- a. Means and methods of prevention of ragging.
- b. Possible action that can be taken against persons indulging in ragging.
- c. Possible action that can be taken against college/university authorities in the event of ragging.

The Committee had carried out a very detailed study with the help of voluntary organizations including CURE (Coalition for Uprooting Ragging from Education) and SPACE (Society for Peoples Action Change and Enforcement) and collected voluminous public opinion on the various factors contributing for ragging. Noted psychologists and educationists assisted the committee. The National Informatics Centre at the Ministry of Human Resources hosted a guest book in their website. Nearly eleven press releases were made during this period of evaluation and committee visited several cities in the country. A subcommittee of the Medical Council of India was also constituted for this purpose. A questionnaire was prepared that elicited over 12500 responses. In short a wide cross-section of the society provided the necessary background information, data and suggestions on tackling ragging in the country for consideration by the esteemed committee.

Subsequently the committee submitted a detailed report with suitable recommendations and measures required to effectively curb the menace. The recommendations of the Committee were duly accepted and the following directives have been issued to all the educational institutions for necessary implementation by the Hon'ble Supreme Court on 16 May 2007.

- I. The following factors need to be focused to tackle with the problem:
 - a. Primary responsibility for curbing ragging rests with academic institutions themselves.
 - b. Ragging adversely impacts the standards of higher education.
 - c. Incentives should be available to institutions for curbing the menace and there should be disincentives for failure to do so.

- d. Enrolment in academic pursuits or a campus life should not immunize any adult citizen from penal provisions of the laws of the land.
 - e. Ragging needs to be perceived as failure to inculcate human values from the schooling stage.
 - f. Behavioural patterns among students, particularly potential 'raggers', need to be identified.
 - g. Measures against ragging must deter its recurrence.
 - h. Concerted action is required at the level of the school, higher educational institution, district administration, university, State and Central Governments to make any curb effective.
 - i. Media and the Civil Society should be involved in this exercise.
- II. The Committee has made several recommendations. For the present, the apex court felt that the following recommendations should be implemented without any further lapse of time

1. The punishment to be meted out has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
2. Every single incident of ragging where the victim or his parent/guardian or the Head of institution is not satisfied with the institutional arrangement for action, a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities. Any failure on the part of the institutional authority or negligence or deliberate delay in lodging the FIR with the local police shall be construed to be an act of culpable negligence on the part of the institutional authority. If any victim or his parent/guardian of ragging intends to file FIR directly with the police, that will not absolve the institutional authority from the requirement of filing the FIR.
3. Courts should make an effort to ensure that cases involving ragging are taken up on a priority basis to send the correct message that ragging is not only to be discouraged but also to be dealt with sternness.

- 1) In addition, the court directed the possibility of introducing in the educational curriculum a subject relating to ragging shall be explored by the National Council of Educational Research and Training (NCERT) and the respective State Council of Educational Research and Training (SCERT). This aspect can be included in the teaching of the subjects "Human Rights".
- 2) In the prospectus to be issued for admission by educational institutions, it shall be clearly stipulated that in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he shall be expelled from the educational institution.
- 3) The Central Government and the State Governments shall launch a programme giving wide publicity to the menace of ragging and the

consequences which follow in case any student is detected to have been involved in ragging.

- a. It shall be the collective responsibility of the authorities and functionaries of the concerned institution and their role shall also be open to scrutiny for the purpose of finding out whether they have taken effective steps for preventing ragging and in case of their failure, action can be taken; for example, denial of any grant-in-aid or assistance from the State Governments.
- b. Anti-ragging committees and squads shall be forthwith formed by the institutions and it shall be the job of the committee or the squad, as the case may be, to see that the Committee's recommendations, particularly those noted above, are observed without exception and if it is noticed that there is any deviation, the same shall be forthwith brought to the notice of this Court.
- c. The Committee constituted pursuant to the order of this Court shall continue to monitor the functioning of the anti-ragging committees and the squads to be formed. They shall also monitor the implementation of the recommendations to which reference has been made above.

We at Seth G S Medical College request all students, parents and guardians to go through these directives and co-operate in the implementation of the directives of the Honorable Supreme Court of India. It is hoped that this will signal an end to the menace of ragging. Strict action shall be taken in accordance with the directives in case any student is found to indulge in ragging.

OATH COMMISSIONER

MEDICAL COUNCIL OF INDIA

No. MCI – 34 (1) / 2009 – Med. / 99639

Date : 21 / 02 / 2009

To,

1. The Deans / Principals of all the Medical Colleges / Institutions in India.
2. The Directorate of Medical Education of all the States in India.
3. The Health Secretary's of all the States Government in India.
4. The Registrar of all the Universities and Deemed Universities in India.

Subject : Implementation of the guidelines framed by the Medical Council of India to curb the menace of ragging in medical colleges.

Sir / Madam,

This is to inform you that as per the decision taken in the meeting of Dr. R. K. Raghvan Committee appointed by the Hon'ble Supreme Court to supervise the measures being implemented to prevent the ragging, the Medical Council of India has prepared the guidelines to curb the menace of ragging in medical colleges which has been approved by the members of Adhoc Committee appointed by the Hon'ble Supreme Court of India and of the Executive Committee of the Council at its meeting held on 30/12/2008.

The guidelines to curb the menace of ragging in medical colleges are as under :

1. Every student for the purposes of his/her admission to Medical College shall furnish a Character Certificate from the institution where from he/she has passed his qualifying examination, which would mention the status of his/her behavioral pattern specially in terms as to whether he/she has displayed persistent violent or aggressive behavior or any desire to harm others.
2. The admitting medical institution shall keep intense watch upon students who have a negative entry in this regard.
3. An annual undertaking signed by each student, whether fresher or senior and his/her parent (s) jointly stating that each of them have read the relevant instruction/regulation against ragging, as well punishments, and that if the ward has been found guilty he/she shall be proceeded against, shall be procured.
4. Such an undertaking shall be furnished in English as well as in vernacular (mother tongue of the parent) at the beginning of each academic year by every student.
5. An undertaking to the similar effect should be obtained every year from each student admitted to the hostel.
6. The undertaking should be appended to the brochure containing the guidelines and other relevant instructions in regard to ragging and consequences of indulging in ragging.
7. The compliance to the above effect shall be ensured by each of the affiliating university to which the concerned medical institution is affiliated and would be verified by the council annually.
8. In order to ensure the 'ragging free environment' in the campus, each institution shall compulsorily in the 'prospectus' and other admission related documents, shall depict the earlier direction of the Apex court and/or of the Central or State Governments as applicable, so that candidates and their parents are sensitized in respect of the prohibition and consequences of ragging.
9. Each institution should engage or seek the assistance of 'professional counselor' at the time of admissions to counsel 'fresher' in order to prepare them for the life ahead, specially for adjusting to the life in hostels.
10. It should be ensured that there would be a clear gap of one to two week between the date of joining of 'freshers' and the 'seniors', ensuring that classes for the seniors shall commence later, so as to enable the 'freshers' to familiarize themselves with the campus environment and adjust to the sudden changeover from schools to higher education.
11. It shall be mandatory for the institution to inform the parents of senior students to send their wards only on the due date of commencement of the academic session and not earlier.

12. All the examining Universities with which the institutions are affiliated or the deemed to be Universities shall compulsorily amend their relevant ordinance or byelaws, as the case may be, to incorporate the schedule gap of one or two weeks between the date joining of 'freshers' and 'seniors'.
13. Each institution shall arrange a joint 'sensitization' programme and 'counseling' of both 'freshers' and 'seniors' to be addressed by the principal/Head of the institution and the Convener of the Anti Ragging Committee. The inmates of the Hostel shall be addressed on this count by the Hostel Warden.
14. Each institution shall have an Anti-Ragging Committee and Anti Ragging Squad, which shall comprise of other than senior teachers of the institution, representatives of Civil & Police administration and local.
15. Each institution shall constitute a 'Mentoring Cell' to oversee and involve senior students as 'Mentors' for the 'fresher'.
16. Such a Mentoring cell shall be constituted at the end of every academic year, where application shall be invited from the students to join the Mentoring Cell as Mentors for the succeeding academic year.
17. An anonymous random survey shall be conducted by each institution across the entire 1st year batch of students every fortnight during the first three months of the academic session in order to verify and cross-check whether the campus is genuinely ragging free or not.
18. The methodology of such survey may be designed by the institution appropriately. However, doing so it shall be ensured that the institution does not compromise with the anonymity of the 'whistle blowers'.
19. The institution shall ensure that private commercially managed lodges or hostels outside campuses, must be registered with the local police Authorities and permission to start such hostel or their registration must necessarily be recommended by the Heads of the Medical Institutions.
20.
