

Seth GS Medical College and KEM Hospital, Mumbai-400012

## Selection criteria for undergraduate student exchange program with UMAAS

- Interns are eligible for apply for this program. They are at least currently, expected to fund themselves for program. This includes applying, paying for US visa, airfare, insurance, accommodation and any other expenditures that may be incurred.
- A total of four interns will be shortlisted. The first two interns will be selected.
- The next two will be waitlisted and will be able to go for the exchange program only if one of the top two drops out.
- All statements made in the application need to be backed up with photocopy of certificates.
- The interns would need to make up for any loss of attendance / clinical posting which has been missed at KEMH during his/her absence. This is NON NEGOTIABLE and an undertaking will have to be given by the intern prior to leaving for the exchange program.
- Selected interns are encouraged to apply to MUHS for scholarship and other agencies for funding for travel, stay, visa etc.
- Students who have been selected for the UCLA exchange program are NOT permitted to apply.
- Upon return from UMAAS, the interns are expected to make a formal presentation (10 slides) to the selection committee along with a 1000 word report.
